<b>TOTAL ACIDITY:</b>	5.70 g/l
<b>SERVING SUGGESTIONS:</b>	it goes well with various kinds of cheese Served with jams or honey, it's excellent with all dry biscuits

**TASTING NOTES:**

Incredible brilliant shades of straw yellow interlaced with golden hues. Its bouquet is fine and delicate with fragrances like ripe fruit and acacia flowers, closing with a hint of violet. Elegant in taste, its sweet notes oppose a fine beading, resulting from a light second fermentation in pressure tanks.

**SKU 794263**

**750ml, 6 bottles/case**
